

Polysomnography Technician

Join Our Team and Grow Your Career

Do you want to advance your career? UBMD Pediatrics is seeking our next valued employee. If you are ready to take the next step in your career, UBMD Pediatrics is the place for you. We offer a competitive salary, comprehensive benefits, and a strong commitment to work-life balance. This is a chance you don't want to miss!!! UBMD Pediatrics is committed to providing excellent care for children and building strong relationships with families. We're looking for an enthusiastic Polysomnography Technician to join our team and make a difference in the lives of our patients. In this role, you'll be the first point of contact for our patients, ensuring a smooth and welcoming experience from the moment they schedule an appointment.

About UBMD Pediatrics

UBMD Pediatrics is one of 18 practice plans within UBMD Physicians' Group, the single largest medical group in Western New York. We provide premier health care to infants, children, adolescents and adults. In addition to primary care pediatrics, we have 18 pediatric subspecialties. Our physicians make up the academic teaching faculty within the Department of Pediatrics at the Jacobs School of Medicine and Biomedical Sciences at the University of Buffalo and at Oishei Children's Hospital. For more information regarding UBMD Pediatrics, please visit www.UBMDPediatrics.com.

Why You'll Love Working Here

- Be part of a team: We are dedicated to providing exceptional care and fostering a supportive, collaborative work environment.
- Make a difference: You'll play a vital role in shaping patient experiences and supporting their health journey.
- Work-life balance: Enjoy a generous PTO plan, no weekends or holidays, Flexible hours and pre-scheduled hybrid work options.
- Competitive benefits: Includes medical, dental, vision, 401(k) with employer contribution, paid time off.
- Supportive Environment: Collaborative work environment with opportunities for professional growth.

Key Responsibilities

Performing diagnostic and therapeutic polysomnograms on pediatric and adolescents including placement of electrodes and monitors on patients who are undergoing a sleep study in a pediatric-only sleep lab (ages 0 to 21 years old). Would be responsible for up to two patients per night to place and maintain the monitors needed to complete an 8-hour nocturnal sleep study. The job will entail setting up for the sleep study and cleaning up after the procedure including washing reusable equipment, making and stripping beds, and handling laundry. You will be

communicating with parents and pediatric patients who have sleep and other medical issues. We will provide on the job training.

Part-time and full time positions available, hours will approximately 6pm to 6am 3 days per week for full-time technicians.

Qualifications

A valid or current NY license as a polysomnographic technologist, LPN or respiratory therapist: RPSGT, CPSGT, BRPT, RRT, RTT, CRT, LPN

Can be being willing to obtain RPSGT or RST within 3 years of hire date

Education

High school diploma or GED equivalent, completion of LPN, RT or CPSGT degree.
