DIVISION OF RHEUMATOLOGY

 Jacobs School of Medicine
and Biomedical Sciences
University at Buffalo

ABOUT US

The Division of Rheumatology is part of UBMD Pediatrics and is affiliated with the Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo.

Our mission at UBMD Pediatrics is to be the premier care provider for infants, children, adolescents, and young adults in Western New York and beyond by:

- Delivering excellent family-centered medical care with compassion and advocacy
- Pursuing innovation & research that enable the treatment and prevention of pediatric diseases
- Teaching health care professionals & students

CARE TEAM

Your Rheumatology care team will include attending physicians along with the clinical staff (i.e. nurses, medical assistants).

SPECIALIZED CARE

We evaluate and provide comprehensive care to patients with childhood rheumatic diseases.

We provide quality care for outpatients and inpatients, prompt consultations to referring physicians, and continuous physician coverage for patient and family needs.

In addition, we evaluate and provide a care plan for patients with prolonged joint pain, muscle pain or weakness, unexplained rashes and fevers of unknown origin.

Our section conducts state-of-the-art research into pediatric rheumatic diseases as a means of continuously expanding knowledge to improve care.

Our physicians work closely with support staff and a nurse designated to the service to provide patients and families with social and school support.

WE TREAT

- Hypermobility
- Juvenile arthritis
- Juvenile dermatomyositis
- Juvenile spondyloarthropathy
- Mixed connective tissue disease
- Raynaud's disease
- Scleroderma
- Systemic lupus erythematosus
- Vasculitis

*Additionally, we have a multidisciplinary systemic lupus erythematosus clinic combined with the Division of Nephrology for patients with lupus that have kidney involvement.

**TO SCHEDULE AN APPOINTMENT,
PLEASE CALL 716.323.6240.**
